FEATURES

S.A.N.E. Sexual Assault Nurse Examiner

BY DARIA WASZAK, RN, MSN, LNCC

The nurse examiner sat in the witness stand as the jury listened intently while she went over every detail during the rape trial. She explained the purpose of a Woods Lamp, an ultraviolet light used to detect bodily fluids, and reviewed how the evidence was documented, labeled and sealed before being signed over to law enforcement. There is plenty that goes into the four-hour evidentiary examination, and this case was no...
