# Working Nurse

**Working Nurse** WEEKLY

Friday, April 9, 2021

Happy Friday!

During a huddle, a nurse adamantly refused to be overbooked and yelled at the charge nurse in front of the patient's hallway. Nobody said a word — not even the patient who was assigned to her.

If this sounds familiar, it's "A Kindness Revolution" by renowned workplace civility expert, Dr. Thomas. One tip: Be an "upstander" rather than a bystander. Stand up for yourself, for your colleagues, for the profession.

Subscribe to our Friday Newsletter. See you next week at 10:30 am.
