Working Nurse

Working Nurse WEEKLY

August 5, 2022

Happy Friday,

Of all the TV nurses we've discussed, *Outlander* heroine Catherine "Cathy" Duval is definitely the most original. WWII British nurse, she magically travels from 1945 to 1743 for adventures in the Scottish Highlands.

After seasons, we can't wait for the next season and a prequel in the works, *Outlander* is beloved. If not, however, our reviewer finds the show a little too brutal. What do you think?
